College Go Week was exciting for the students and staff. We had dress up days and trivia questions. The trivia questions were "What was the first college in Indiana?" "What was Indiana's first private college?" "How many college/universities are located in Indiana?" The dress up days were "Dress for Success - Career, Military Appreciation Day, Hats off to High to Education, Off to College, and Shamrock Pride Day"

Grandparents/VIP days are finishing up with each grade level having their time in the morning to visit the book fair, classroom, picture hallway and social time in the cafeteria. Our visitors appreciated the time they had with their favorite students and were impressed with the building's new look.

A great place to learn, teach, lead and succeed.

RECOGNITIONS:

On Friday 9/29 we had our Homecoming at halftime of the football game. The Homecoming Queen is Tara Woods and the Homecoming King is Chase Miller. JGHS had an excellent spirit week, a bonfire on Wednesday evening, and a pep rally to end the day on Friday. Once again the students and staff at the high school did an excellent job with school spirit.

Falloween 2023 is in the books. We had a wonderful parade to kick off the night on Friday. There were so many people here on the grounds of John Glenn High School and there are so many people to thank. We could not do this without the support staff, students, and the entire community here at John Glenn. We are still getting money coming in from the different vendors, but early projections are that we had a very great year and the senior class will have plenty of scholarship money available. Planning for Falloween 2024 is already underway.

Vision Statement:

The John Glenn High School Community provides a positive learning environment, where students are actively engaged and motivated to learn, where mutual respect is shared by students and staff, and where students gain the skills needed to become productive members of society.
