March 1, 2017

Parents of Incoming KDG Child(ren),

Each spring, North Liberty Elementary and Walkerton Elementary host Kindergarten Roundup for parents and incoming Kindergarten students. This early registration helps prepare parents and children for the coming school year. Roundup provides important information for parents, allows students to meet the teachers and become a familiar with the school, classroom, and even a school bus! The students will be engaged in several fun activities that evening.

Kindergarten Roundup also helps us transition students to a warm and inviting start to a child's educational experience here in the John Glenn School Corporation. For our staff members, the information helps in planning for enough staff, materials, rooms, and transportation needs come August.

If you know of families with children approaching Kindergarten age (5 by August 1), please share this information with them! We especially appreciate you sharing with anyone new to the community. Of course, we always welcome families new to the community to register throughout the school year.

Kindergarten Roundup event is held on Tuesday, March 21, 2017 at 6 pm at North Liberty Elementary School and Walkerton Elementary School. Please bring your child's birth certificate, shot records, and any preschool assessment material.

If you are planning to attend the Roundup, we have a short [video](#) <https://vimeo.com/153463374> for you to listen to and start registering your incoming KDG child prior to March 21. [Harmony 3](#) <https://harmony.jgsc.k12.in.us/familyaccess.nsf/hello.xsp> is the link to register your child prior to Roundup. We will provide access to computers if you choose to register that evening.

Sincerely,

Elementary School Administration

Mr. Tim Davis, Walkerton Elementary Principal

Mr. Randy Romer, North Liberty Elementary Principal

Mrs. Rebecca Cummings, Elementary Assistant Principal
