SUBJECT: You're Helping Get John Glenn Kids to College!

Dear Parents:

Thank you so much for your continued support of the [Marshall County Promise](#) program. Thanks to you, we have had spectacular success – to date, 406 students' families have started a CollegeChoice 529 Direct Savings Account. Because of your generosity, we are helping our youngest students get on the path toward a lifetime of opportunity!

But we have one more exciting opportunity – November, 28, #GivingTuesday.

During this global day of giving, the 1:1 Fund will double your donation to Marshall County Promise fund at the Marshall County Community Foundation, dollar-for-dollar, up to \$500 per individual. The Promise program helps support college and career discovery, college savings accounts, and the use of "Champions" who personally and financially invest in our youth. Marshall County Promise creates a culture of student success and builds hope for their future – a match on your donations means double the impact for our children!

Thanks again for helping to make Marshall County John Glenn students' dreams possible. Don't forget to get your donation DOUBLED on November, 28. We hope you support the kids on [#GivingTuesday!](#) Go to: Marshall County Foundation website.

All the best,
Walkerton Elementary - Mrs. Harasewicz and Ms Mattke
North Liberty Elementary – Mrs. Heiser and Mrs. Beeney
