

WALKERTON WILDCAT CONNECTION

APRIL 2021

Principal's Report

April is here with a BIG joke...SNOW!!! The good point is that by the weekend we will have beautiful weather once again.

I am so proud of the students and staff (and all our parents) for raising over \$5,000.00 through our PTA Penny Wars. This money will be used to purchase books for a Book Vending Machine that will be up and working by August. Reading is so important to all.

As many know, April brings all of our State Testing. Our 3rd graders have already taken the IREAD 3 test and did absolutely fantastic! We had 93% of our students pass this test. We are very proud of our Third graders.

Mrs. Kaser has the Math Bowl Team gearing up for their competition which is on Tuesday, April 13th. This competition will be all virtual. We plan to post this on Season Cast so all can view from home.

I am very proud of our 5/6th grade Girls Basketball Teams. All 4 teams won their respective Tourneys and all finished with a great win/loss record. We saw a lot of improvement in all girls.

Summer School information will be coming home soon. Summer School this year will run from June 7-25. Grades K-2 will be at WES and grades 3-6 will be at Urey Middle School. If you have questions, please contact the office.

There will be some major renovations happening this year at WES. The front office will be completely renovated, as well as new windows in the whole building and a few lighting upgrades. More information will be in the May newsletter.
