## 2. Approve Naming Rights Agreement – Teacher's Credit Union

Mr. Reese presented the key points of the agreement, which include:

- TCU will be giving the Corporation \$15,000 per year over the next five years.
- TCU will give the Corporation a bonus dividend of .20% on February 1<sup>st</sup> of each year based on the corporation's Operating Account average balance for the previous year (approximately \$4,500 to \$5,000). The bonus dividend is an additional contribution for the next five years.
- TCU will have exclusive rights and sponsorship of Falloween and the Senior Top Ten Percent Banquet. It does not mean that others cannot sponsor these events, but TCU will be the primary sponsor for those events.
- In addition, if any other financial institution wants to name a specific room in one of the buildings, such as cafeteria or auditorium, they would have to offer the Corporation the same amount of money as what TCU offers.

Mr. Reese noted that this agreement has worked out very well for the Corporation in the past, and the amount of money that TCU donates helps our students tremendously. Bill Groves made a motion to approve the Five-year Naming Rights Agreement with Teacher's Credit Union. Curt Pletcher seconded the motion, and the motion passed with a vote of six to zero.
