RECOGNITIONS:

Summer School - During the month of June we finished with 47 credits completed from enrichment class and 38 credits from students that have failed it previously. Combined 85 credits were completed during June Summer School.

Registration - In-person registration was held July 27th from 3:00 pm - 7:00 pm. This year, registration occurred at the high school with staff from WES, NLES, Urey and JGHS available to assist with questions. This was a successful event with a good turnout. It was very convenient for parents who have students in multiple school buildings.

Choir Camp - Members of Rhythm Express and First Edition came together with Mr. Meilaender for a week of Show Choir Camp in late July. Students attended music and choreography rehearsals and worked on new music and moves in sectionals. Mrs. Amanda Smith and Mrs. Jennifer Medich assisted this year. Alumni came back to help judge the Lip Sync Battle, which consisted of students creating their own choreography to songs for prizes. Food was catered from Sweet Lou's Catering in Michigan City. Mr. Meilaender wants to thank all the students, the support staff, and the administration for welcoming him to JGHS. Everyone was excited to finally be singing and dancing again post pandemic. Huge success!

Vision Statement: The John Glenn High School Community provides a positive learning environment, where students are actively engaged and motivated to learn, where mutual respect is shared by students and staff, and where students gain the skills needed to become productive members of society.
