In 2017, the John Glenn Education Foundation was born out of a generous donation by a long time local family. In just over five years, we have managed to fine-tune our mission, and put a plan in place to set forward in achieving said mission. Through classroom and specialized grants, we have been able to distribute \$25,213 in the last year back into our school corporation. These grants affected students and staff in all four local schools, Kindergarten through Senior. In the past calendar year, we have provided funding for a pickleball program at Urey Middle School, Hydroponic farming where students grow lettuce, and a Rocket Launch STEM program at Walkerton Elementary School. Additionally, in collaboration with John Glenn School Corporation we were able to provide every student and staff member a unified shirt! With your continued support, we have been able to enhance the day-to-day classroom by providing innovative experiences for our students.

On February 4th, 2023, the JGEF will be hosting an Excellence in Education Gala at the Swan Lake Resort. The evening will consist of dinner, a silent auction, and riveting dueling piano performance. With the Gala serving as our main fundraising event of the year, your continued support is much appreciated. We offer various sponsorship levels and would be honored to have you join us for this unforgettable evening.

To become a **Gold Level of Excellence** contributor, please consider a generous donation of \$1250 or more to the John Glenn Education Foundation. This level of contribution will be met with eight (8) tickets to our Gala and a premier table within the ballroom. Your business or family will also be recognized in our literature, on our website, as well as the evening of the Gala.

A donation of \$750 or more will be recognized as a **Silver Level of Excellence** contributor. This level of contribution will be met with four (4) tickets to our Gala and a premier location within the ballroom. Your business or family will also be recognized in our literature, on our website, and the evening of the Gala.

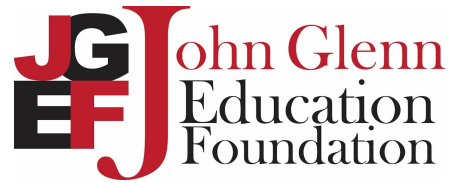

To be recognized as a **Circle of Excellence** contributor, please make a contribution of \$250 to the John Glenn Education Foundation. This level of contribution will be met with two (2) tickets to our Gala and recognition in our literature and on our website.

As the fiscal year comes to a close, we strongly encourage you to consider making an end of year donation to the John Glenn Education Foundation. We take pride in serving the students of our thriving school system, and continuing to provide opportunities for excellence in education. We could not do it without the support of our generous community

Sincerely,

Gail Crone
JGEF Vice President

The John Glenn Education Foundation is dedicated, in partnership with our community, to promote and provide opportunities for our students and staff to learn and grow through enhanced educational experiences.
