### Recognitions:

- Art Club- Our WES Art Teacher, Mr. Walter, is bringing back WES Art Club again for the 22-23 school year. We have seen a lot of continued interest from our 5<sup>th</sup> and 6<sup>th</sup> grade students to be in after school Art Club, and we appreciate Mr. Walter providing this opportunity for our student once again.
- New Look High Ability Program- In the summer, Mr. Romer and I have the privilege of introducing to you Mrs. Amanda Dreibelbis, our new High Ability teacher at both elementary schools. As part of the new look program, Mrs. Dreibelbis will begin screening students using the CogAT this month, which is an online tool we use to help identify our HA students. Our High Ability Program will cater all grade levels this year, KG through 6<sup>th</sup> Grade, different than the 4<sup>th</sup> through 6<sup>th</sup> in the past. In addition to serving all grade levels and enriching the program with additional STEM activities, Mrs. Dreibelbis will be pushing into classrooms, with the goal being more co-teaching opportunities. We look forward to letting the board know more about the wonderful changes to the elementary high ability program.

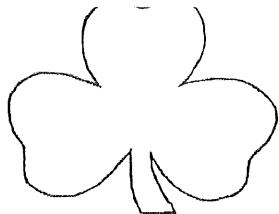

Sincerely,

Dr. Patrick R. Fuller
