NEW BUSINESS

1. Approve UMS Athletic Handbook Update

The UMS Athletic Handbook has been updated with wording changes and one minor policy change. The time students are required to be in school in order to participate in that night's activity has been changed from noon to 11:30 a.m. This corresponds with the policy of the middle school and both elementary schools for a half day of attendance.

After a brief discussion, a motion was made by Curt Pletcher, seconded by Jeff Johnson, to approve the UMS Athletic Handbook update. The motion was approved by a six to zero vote.

2. Approve 2012 – 2013 Contract Bus Rate

Ray Halsey is the only contracted bus driver in John Glenn. Ray is paid at level two; his pay rate has not increased in the last three years. With the increased price of fuel, an increase in Ray's contracted pay was in order. The salary schedule of contract bus drivers is attached.

After a brief discussion, a motion was made by Jeff Johnson, seconded by Dennis Holland, to approve the increase for the contract bus rate. The motion was approved by a six to zero vote.

3. Approve Textbook Rental Fees

The textbook rental fees are up slightly from the 2011-2012 school year. The only change might be Urey and that has been raised to \$128 in both grades due to the computer purchase approved earlier this year. The textbook rental fees are still very reasonable and are one of the lowest in the area.

After a brief discussion, a motion was made by Tom McCormick, seconded by Curt Pletcher, to approve the textbook rental fees. The motion was approved by a six to zero vote.
