In the end of the finals round, Tyrannosaurus Vex finished in 6th place with a combined score of 43 points. The Gearheads scored 126 points and placed them in 1st Place. This placement qualifies the Gearheads for the state tournament in Lucas Oil Stadium on March 25th.

Team Members:

Best Vex – Eli Borsodi and Matthew Brennan

Sham Squad – Claira Mappes and Madison Dossman

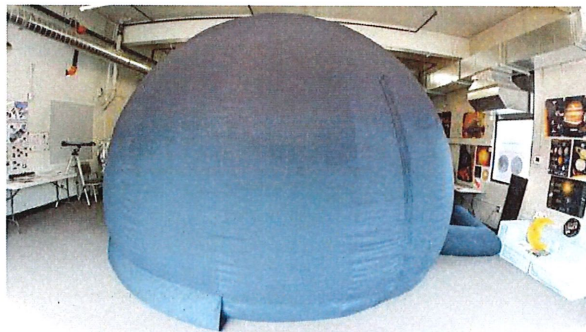

Tyrannosaurus Vex – Westin Felix, Gage Peterson and Jasper Sheets

Gearheads – Braxton Whitmer, Colton Timm, Colton Gill, Colton Dittman, Bentley White, and James Klinedinst

Congratulations to all the students and Coach Michelle Whittmer for their hard work and dedication. We are going to state!

Our school finished up a unit on astronomy with the Digitalis Inflatable Dome rented by the Northern Indiana Educational Service Center. All students were able to experience outer space and apply their understanding of moon phases, star constellations, and orbital patterns that helped create known concepts like 365 days in a year.

A great place to learn, teach, lead and succeed.
