John Glenn School Board of Trustees
101 John Glenn Drive
Walkerton, Indiana 46574

Pursuant to Indiana Code 20-29-6-19, the School Board must advertise the Public Hearing to Review the Tentative Agreement of the 2024-2025 Master Teacher Contract 72 hours prior to the meeting. This hearing will be held Tuesday, October 29, 2021 at 7:00 PM at the address listed above. The Tentative Agreement is posted below.

Per legislation, we are required to hold a public hearing and Board discussion about the tentative Teacher Collective Bargaining Agreement prior to the Board considering final action.

We have come to a tentative agreement with the association. In general, we have agreed that teachers will receive \$700 or \$775 increase to their base salary. Teachers who have earned an advanced degree, or additional credits beyond their advanced degree, since the last contract, will receive an additional base salary increase of \$1,500 to \$7,000. Employees on a Family Health Plan, whose spouse is not also employed by JGSC, will receive a one-time \$500 additional stipend toward family health insurance. We have added two ECA positions for Game Club and National Art Honors Society and removed Voyager Club and News Paper Club.
