Spell Bowl Tryouts

It is time to begin practicing for the 2015 Spell Bowl Competition held at NLES on November 19. If you are in 4th-6th grade and interested in competing on the Spell Bowl Team, tryouts held on Wednesday, September 2 from 2:55-3:30 pm. Please see 4th Gr. Mrs. Martin to sign up and receive an information packet.

SCHOOL PICTURES

THURSDAY SEPTEMBER 10th and extra forms in the office.

Girl Scout Daisies sign up KDG-1st gr.

Girl scouting guides girls to become leaders in their daily lives, their communities and the world – helping them become the kind of person exemplified by the Girl Scout Law. When girls – as the Girl Scout Law states – are “honest and fair,” when they “use resources wisely,” and know how to be “courageous and strong,” they can be more successful in everything they do. Meetings will be every Monday from 6:00-7:00 in the NLES Cafeteria.

Email GSTroop00168@gmail.com for questions.

Shamrock Pit Row

Great job drivers for pulling up north along the sidewalk when dropping and picking up your child. This simple request makes for a smooth pit stop and exit to your destination. Be cautious of your Pit Speed, Pit Crew (kids), and patience with others. Do not get penalized for these violations. ☺ The north parking lot has been a popular location to pick up your child. We encourage this area to avoid congestion near the busses.

Office Reminders

Absence: Call the office by 8:30 with reason and homework request by 10:00 AM. Dr. Office notes expected with any appointment for proper documentation.
Transportation Change: Written note with name and address for bus/car. If calling, notify office before 1:30 PM.

Fall-O-Ween Festival @JGHS

What's New: MEGA BAND!!! Entire weekend ride pass for \$39 or One-day ride pass for \$15. Fun Run Saturday @ 9 AM with form attached along with the weekend events. www.falloweenfest.com

COME JOIN INTRAMURALS

Intramurals will begin on Friday, September 26th. It will run every Friday from then on when school is in attendance except the Fridays before breaks. Any student in 5th or 6th grade is welcome to attend. Attendance is not mandatory every Friday. Please come when you can. Permission slips will be handed out the week before and need to be returned to participate. Please have your ride pick you at 4 PM! Email dmarts@jgsc.k12.in.us for questions.

Art Teacher Ms. Sumpter appreciates...

all the donated school supplies for her room. Moreover, she promises you, every item will be used with appreciation for your support.

A great place to learn, teach, lead and succeed.

Gym-NEWS-ium

6th Graders - Archery

The NLES 6th grade students are in the middle of their NASP Archery unit and having a fantastic time. So what is NASP? NASP stands for National Archery in the Schools Program. NASP promotes international-style archery as part of the in-school curriculum to improve educational performance and participation in the shooting sports among students in grades 4-12. Nearly everyone can enjoy success at archery. The sport or discipline of archery is highly inclusive and is for many enthusiasts, a life long activity. Archery is a diverse and super-safe shooting activity with a wide variety of formats and styles. In NASP-style archery, students of all genders, abilities and backgrounds flourish.

5th Graders - Bowling

The NLES 5th grade students are in the middle of their Bowling unit and it is a striking good time. So why do we teach Bowling? Bowling is a great sport for everyone!

- There are no size or strength limitations for success.
- Bowling is a Family-Oriented Activity.
- Bowling builds self-confidence and positive self-esteem.
- Bowling is a great team sport.
- Bowling is a great individual sport.
- Bowling can be enjoyed in a social or a competitive form.
- Bowling is a success-oriented lifetime sport.
- Bowling provides enjoyment for children of any age.
- Bowling is FUN!

We will take a field trip to Chippewa Bowl on September 16th for lunch and bowling. Bowling permission slips and money are due Wednesday, September 9th.

4th - 3rd - 2nd Graders - GOLF

The First Tee National School Golf Program curriculum centers on four primary areas: 1) life-long activity, 2) character and health education – personal and social responsibility, 3) motor skill and concept learning, and 4) developmental approach to learning. Participating students actively engage in a variety of motor skills associated with striking a stationary ball with a long-handled implement to a target. Striking is taught through the basic golf skills of putt,

chip, pitch and full swing in gradual progression to align with students' developmental process as they move through 24 lessons throughout the elementary years. Basic skills are presented to students on how to hold, set up, and safely swing a putter and a wedge. Cue word sequences are taught to enable students to better understand the body positions for performing the critical elements of each skill. Students participating in the National School Program will learn the basic motor skill concepts of personal space, force, flow, relationships to objects, and routines.

As a culmination to the Golf classes, 4th grade students will visit the Tri-Way Family Golf Facility in Plymouth to practice the new skills that they have learned on September 11th (rain date September 15th). They will be travelling by bus, and permission slips and money for the 4th grade students are due to their homeroom teacher by Friday, September 4th. Don't forget that those students will need to bring a brown bag lunch to eat upon their return to school that day.

1st and K Graders - Perceptual Motor

Perceptual-Motor abilities are strengthened through activities with bean bags, balls, jump ropes, hoops, and scooters which are all units that these grades will be participating in in the coming weeks. Perceptual motor development at this stage is an important part of the PE process.

Primary objectives:

1. Assist each student in acquiring efficient movement.
2. Promote improved sensory functioning.
3. Development of a positive self-image.

The main areas of program concentration are in promoting improved:

1. Balance Skills (Static and Dynamic)
2. Locomotor Skills (Transport Movements)
3. Hand-Eye and Foot-Eye Coordination
4. Body and Space Awareness

Fall Fundraising - TBD

Market Day has been the annual PE fundraiser that has helped our PE department purchase new equipment in the last few years. With the efforts of all of the K-4th graders, we now have

activities to look forward to such as Badminton, Frisbee, Tennis, Pickleball, 9-Square in the Air and other fun activities. Some other items under consideration for future fundraising \$ include bicycles, climbing wall, and inflatable bumper balls. Unfortunately, Market Day has been bought out and doesn't exist any longer so we are investigating other alternatives for fund raising opportunities. So be on the lookout for a new Fall Fundraiser for opportunities to support our PE department and expand our equipment for all of the students.

EASY WAYS TO SUPPORT NLES

You can help NLES get a share of \$175,000 in educational equipment (balls for recess, etc.) just by using your Martin's Advantage Card when you shop! You'll earn the school a point for every dollar you spend. The school's total earned points will be split proportionally for credit among all other schools signed up for the program. **You must register your card** at <http://www.martins-supermarkets.com/advantageeducation/> or at a Martin's customer service desk for your purchases to count. Our School Code is 4785.

Snap pictures of your receipts from any store, big or small, that sells grocery items to earn Roo Points (cash donations) for the Summer Reading Program. Receipts from restaurants and non-grocery retailers count as an entry for our school into Shoparoo's \$1,000 monthly sweepstakes and \$15,000 yearly sweepstakes! Download the free **Shoparoo** app to your phone and start earning points in minutes.

Purchase your favorite Coca-Cola beverages and get My Coke Rewards codes. Go to www.mycokerewards.com to register and enter the codes. After entering the codes, choose to donate them to our school. You can also send the caps in with your child and we will take care of entering the codes. A bin for the caps is located in the school lobby. Accumulated points will be used to purchase items such as athletic equipment and classroom supplies from a coke rewards catalog. Please send in caps with entered codes to support our Community Bench Project program.

Box Tops can be found on hundreds of products. Clip box tops from packages and send them in with your child. Each Box Top is worth 10 cents. Teachers can use Box Tops cash to buy whatever they need for their own classrooms. Collection sheets can be picked up in the office. **Please do not attach BONUS Box Tops to the collection sheets.** Put them in an envelope marked with the name of your child's teacher and turn them in separately.

Labels for Education UPCs from over 2,500 participating products earn points for the whole school that can be redeemed by Mr. Romer for Arts, Athletics, and Academics merchandise found in the Labels for Education catalog. Collection sheets are available in the school office.

Community Bench Project- This program is offered through Green Tree Plastics in Evansville to involve young people in recycling and community service. Caps from household recycling can be made into benches for our community. Any plastic cap that is clean and free of metal may be donated. 400 pounds + \$200 = One Bench. A collection bin is located in the school lobby.

Printer and Copier Cartridges- Send in all types of empty printer and copier ink cartridges to help the fourth grade classes earn store credit from STAPLES.

Pop tabs may also be turned in to help support the operating costs of the Ronald McDonald House of Indiana. The House provides lodging for families while their children receive life-saving treatment at Indianapolis-area hospitals, primarily Riley Hospital for Children at IU Health. Please place them in an envelope or plastic bag.

Release & Waiver of Liability

I know that running a road race is a potentially hazardous activity. I should not enter and run/walk unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete the run/walk. I assume all risks associated with running/walking the event including, but not limited to: falls, contact with other participants, the effects of the weather, including high heat and/or humidity, traffic, and the conditions of the road, all such risks being known and appreciated by me. Having read this waiver and knowing these facts and in consideration of your accepting my entry, I, for myself and anyone entitled to act on my behalf, waive and release John Glenn School Corporation and its entities, the Town of Walkerton, all volunteers, and all other sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in this event. I grant permission to all of the foregoing to use any photographs, motion pictures, recordings, or any other record of this event for any legitimate purpose.

The Swoop Scoop

“Swoop” is a nickname for our Title I Program. Students in grades K–3 may qualify for extra reading support each semester thanks to a federally funded program for which JGSC qualifies.

Our groups are led by our dedicated **Swoop Crew**. Monday through Thursday, our instructional aides work within K–3rd grade reading classes. Some students work in the Swoop room in the afternoons for short periods. The students work in consistent small groups with reading lessons led by an instructional aide. Our Swoop aides are **Mrs. Craft, Mrs. MacLeod, Mrs. Tibbs, and Ms. Zoellner**. **Mrs. Amy Weiss is the Title I teacher at NLES**. Mrs. Weiss alternates between groups in order to work with each student several times throughout the semester.

Along with the small groups, our Swoop Crew will host some special events this year. Swoopers and their parents are invited to our Camp Swoop on Thursday, September 17 from 5:30–7:00. An invitation was mailed to those families. RSVP as soon as possible. It is sure to be an enjoyable evening!
