2016 FALCON AWARD

The 2016 Falcon Award will be presented on Saturday December 17, 2016 during the John Glenn vs. LaVille boys basketball game. The varsity game will tip off at approximately 7:30 and the award will be presented at half time.

This year's recipient is Gerry Brown. Gerry Brown has been in education for the past 42 years. During that time Mr. Brown has been involved in the following programs in the John Glenn School Corporation: boys' basketball coach, football coach, track coach, and for the past 34 years he has served as the Elementary/Middle School Athletic Director. Gerry has been instrumental in getting middle school tournaments into our communities, been known to drive team buses, expansion of sports offered at the middle and high school levels, and many more activities. Gerry finds time as well to be active in the community with the Town Council, Youth Sporting Programs, and as a youth coach.

Come out show Mr. Brown your appreciation on Saturday 12/17 at John Glenn High School at halftime of the boys' varsity basketball game against LaVille.
