Dear Parents/Guardians and Students,

John Glenn School Corporation is committed to the health and safety of all of our students, staff and community. It is due to this commitment that we wanted you to be aware that on Monday, October 26, 2020, we were notified of a positive Covid-19 case at Walkerton Elementary School. Contact tracing has taken place and people have been notified if they were in direct contact. Direct contact is defined as an individual who has had close contact (less than six feet) for 15 minutes or more. Again, the WES team has been in contact with anyone who meets this definition.

Please continue to do at-home symptom checks. If your student has any of the following symptoms, (or anyone has a pending Covid-19 test), please keep them home.

- Fever
- Cough
- Shortness of breath
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore Throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

If you have specific questions, please do not hesitate to call me at 574-586-3195 ext. 8222. We are committed to answering your questions, as long as we do not violate confidentiality of any of our students. The health and safety of all our students and staff is our number one priority.
