Dear John Glenn Family,

Congratulations on the successful conclusion of the 2019-2020 school year! I think we all can agree that it was a conclusion like none of us could have imagined a few short months ago. Students have practiced the skills of flexibility, determination, time management, and perseverance. These traits will serve you well now and into the future. Well done!

I want to thank all of our students, families, and JGSC teammates for how hard you worked to make eLearning a success. I know it was challenging at times, but we couldn't have made it to the end without all of us pulling together to make the best of an unprecedented situation. I am extremely proud of our entire JGSC family!

Families, please review the following important information:

A Commencement Program will be televised on Saturday, June 13th, at 1:00PM, on WNDU Channel 16. We will also hold an in-person event on Friday, July 24th. Details to be determined.

Retrieval of students' personal belongings and drop-off of school materials will take place as a drive-thru based on the following schedule:

- WES and NLES on Wednesday, 5/27/2020, 12:00PM to 7:00PM
- UMS and JGHS on Thursday, 5/28/2020, 11:00AM to 7:00PM

Be on the lookout for specific directions from your individual schools, including the items that will be collected.

Meal program will continue MWF through June 26th. We will not serve on Monday, 5/25/2020, Memorial Day. Please be on the lookout for a meal program survey.

Summer school will take place on-line for 9th to 12th grades during the month of June. Sign-up through the high school. We hope to offer "on-campus" classes in July. Details to be determined.

Before and after care, we hope to open B&A in the month of June. Obviously, there are many regulations that must be reviewed before we can do that. If you have interest in your student(s) attending B&A, please notify Charman Dreesen via email charman@jgsc.k12.in.us. Additional information to be announced soon.

Next School Year: Right now, specific answers regarding summer activities, fall sports, and the return to school in August are just not available. We will continue to work internally to plan for these traditional school programs. Our planning will follow Governor Holcomb's executive orders, as well as guidance from national, state, and local health organizations.

I encourage you all to take time this summer to unplug and disconnect from electronics. Get outside, be active, and enjoy the weather, while staying safe. When we return, I strongly encourage everyone to get involved in school activities. Become a part of the great John Glenn tradition through involvement in sports teams, clubs, and co-curricular activities.

Warmest Regards,

Christopher Winchell, Superintendent
