

FALCON 500

Your Falcon 500 membership helps our students and athletes. Since 1985, Falcon 500 has donated over \$100,000 to our schools in a variety of ways. Falcon 500 club is a non-profit organization and membership is just \$5 per month. Each month half of the membership dues are donated to staff requests, and the other half is given back to the members through prize drawings.
