April 28, 2020

Dear JG Team, and Family,

Our continued work together as one large community of teachers and learners has been fantastic. I know we will continue the excellent eLearning effort through May 22<sup>nd</sup>, 2020. We are in the home stretch, keep it up! You can do it!

State Superintendent, Dr. McCormick, noted today that school facilities indoor and outdoor are CLOSED until June 30<sup>th</sup>. As a result, all JGSC on campus activities are postponed or cancelled through that date.

Here are some additional updates as a result:

**School Meal Program:** Will continue as it is now through Friday, June 26<sup>th</sup>. Same days/times. Same bus stop/pick-up locations. No Meals will be served June 29<sup>th</sup> to July 10<sup>th</sup>.

**Summer School:** Standby for online opportunities from your schools. We will contemplate on campus activities for July after we have more direction from the Governor/IDOE.

**Graduation:** It is so very important to all of us for the occasion of Commencement and for the graduates to be celebrated in person. We are extremely sensitive to this community-wide tradition. Please rest assured that there is a team of faculty, students, parents, and other stakeholders contemplating this and other possibilities. Planning will continue as we receive additional guidance from the Governor and the IDOE.

**Materials/Belongings:** Returning materials and collecting belongings is an important item. We will provide a plan for this when the state agencies allow us to return to our buildings. Until then, if you are in need of something essential, contact your building principal.

Reminder, school ends for students on May 22, 2020, **as long as they have completed their eLearning duties.**

Warm Regards,

Christopher Winchell
