

September 16, 2020

Dear JG Family,

I am excited to announce that we will be returning to full-time in-person school on Tuesday, **September 29, 2020**. This return to full-time on-campus school is dependent on the continued low spread of Covid-19 in our area.

So PLEASE, continue to practice regular handwashing, social distancing, face covering, and symptom checking. If you do not feel well, please do not come to campus.

Our plans for this return are reflected in the “Green Phase” of our back to school plan previously adopted by the School Board and available at www.jgsc.k12.in.us. Also, your specific teacher(s), principal(s), and other school teammates will provide more detailed information specific to schools, grade levels, and individual students as needed.

I know we have all been eagerly awaiting this return. It would not have been possible without the hard work of many, many people. It would also not have been possible without the collective teamwork of the greater John Glenn Community!

Thank you for your continued support. We are excited to see your children, our students, every day!

Yours in Education,

Christopher Winchell
